## *Not In Vain*

*If I can stop one heart from breaking,  
I shall not live in vain;  
If I can ease one life the aching,  
or cool one pain,  
or help one fainting robin  
unto his nest again,  
I shall not  
Live in vain.*

#### THE NURSE'S PRAYER

Dear Jesus, Model and Inspiration of the Nursing Profession, I Know That When You Ascended Into Heaven, You Left the Care of Your Sick to Those of Us Whom You Have Blessed With the Holy Vocation of Nursing. Help Me to be Faithful to That Calling so That I Can Do Always the Things That You Want Me To Do and in the Way That You Want Me To Do Them. Grant That My Voice May Be Gentle, That My Hands May Have the Softness and Sympathy of Your Hands, That My Presence May Bring Something of the Hope and Consolation Which Your Presence Brought to the Sufferers of Your Day.

I want to do All These Things, Dear Lord, But I Know That I Am Weak and Can Do Little Without Your Aid. Please, Give Me That Aid This Day and Every Day of My Life, So That I May Be Always What I Know That You Want Me to Be . . . An Angel In The Sick-room.

## *District Three*

All the students at Mercy, along with students from the five other schools of nursing in this area, comprise the District Three Student Nurses' Association. The purpose of this organization is to prepare the nursing student for membership in the parent organizations, the ANA and NLN. Activities such as district meetings and the State Convention have drawn more students into active participation in our pre-professional organization. The high-light of the year was the National Convention in San Francisco in May of 1966, at which Chris Lampert represented Mercy and District Three. The 1966-1967 District Executive Board included four Mercy students: Chris Lampert, President; Kathy Brunelle, Recording Secretary; Natalie Bragassa, Nominations Chairman; and Kay Zangari, Corresponding Secretary.

Chris Lampert

Kathy Brunelle

Each year the Student Nurses' Association of North Carolina sponsors the Student Nurse of the Year Contest. Each school selects a candidate on the basis of scholarship, nursing ability, and participation in extra-curricular activities, to represent them in the District Contest. Later, one student is chosen from each District to participate in the State Contest. The 1966 representative from Mercy was Chris Lampert.
